OBJECT DESCRIPTION

Greek cartoon [Hitler and Mussolini on mountain] from The Sphinx magazine. The caption reads: {Text in Greek} [At Caucasus; Hitler- here they nailed Prometheus because he gave fire to the world; Duce (meaning leader)- that is why (illegible) will nail us here too, because we set the world on fire].

ORIGIN

The Sphinx: English Illustrated Weekly, published and distributed in Cairo from 1892 until 1947, was an English language magazine whose intended audience included British expatriates living in Egypt and elite English speaking Egyptians. Besides reporting news of interest to the English-speaking

community, it offered accounts of social and sporting events in Egypt. Illustrated with photographs and other images, The Sphinx was also notable for its coverage catering to automobile enthusiasts in Egypt.
