OBJECT DESCRIPTION

Greek cartoon [Mussolini] from The Sphinx magazine. The caption reads: {Text in Greek} [The 28th day of the month today and Albania is gaining momentum. From there....we're headed to hell. (very loose translation, Greek saying that rhymes and that can't be translated)].

ORIGIN

The Sphinx: English Illustrated Weekly, published and distributed in Cairo from 1892 until 1947, was an English language magazine whose intended

audience included British expatriates living in Egypt and elite English speaking Egyptians. Besides reporting news of interest to the English-speaking community, it offered accounts of social and sporting events in Egypt. Illustrated with photographs and other images, The Sphinx was also notable for its coverage catering to automobile enthusiasts in Egypt.
