

Greece, May 20, 1972 Com

Kay dear,

I sent to Marion Carter a check of \$508.700.- and asked her kindly to be sure to do herself all the needed reservations for me, that is: Athens - Istanbul. Athens from June 28 to July 6.

She wrote to me about my return on July 7th, she did not know that I must leave before you on July the 6th.

So, please, thank Kay, insist also yourself about this point.

Time magazine and Herald Tribune - Salzberger and Evans - Lomk wrote that a war is inevitable between Greece and Turkey. Americans are preparing the international opinion for the Turkish aggression against our island. I am sure they will take some of our most beautiful islands and Samos the fatherland of my grandfather - shameful and dangerous episode we live, we Greeks.

Love R.
